

“ If I hadn't talked to that woman and heard about Alpha Center, I probably would have had an abortion, but thank God that I didn't! ”

Lazarus' Mother

O LITTLE BABY, PRECIOUS ONE

Sung to the tune of O Little Town of Bethlehem

O little baby, precious one,
how fast we see thee grow!
So full of life and still so small
from head to tiny toe.

Yet, this was not expected,
this precious growing life.
Mom's hopes and fears, so big right now,
who's there to calm her strife?

Alpha is there to take her hand
and gather all around.
For mom and dad and precious one
in His love, hope is found.

We must never lose sight
of the miracle of birth.
Sweet Jesus came to offer love
and peace to all on Earth.
