alpha center

On June 1, 2018, I came to the Alpha Center for a pregnancy test.

Having previously experienced a very difficult pregnancy and traumatic delivery, I didn't believe I was physically or emotionally ready to carry another baby. With friends telling me, 'You know this is what you have to do,' I walked in already believing that I would choose abortion. I was willing to look at the option of adoption only if I was too far along for an abortion.

I planned to have an ultrasound, but my boyfriend and I also went ahead and scheduled an abortion for the day after my ultrasound appointment. My life changed forever when I looked at the ultrasound screen and saw not one, but TWO heartbeats. I will never forget that moment when I realized I was carrying twins and I knew I wanted to choose life for them.

We determined that if we had what we needed to care for two babies by the time they were due, we would parent them. If not, we would take that as a sign that we would need to choose adoption.

Ultimately, my initial decision to carry the girls was about having support.

From day one, everyone who helped me at Alpha Center told me I could do this. Even after my boyfriend died unexpectedly in a car accident shortly after we chose to carry the pregnancy, Alpha Center provided the comfort and encouragement I needed.

The relationships I have developed here at Alpha Center have given me a reason to get out of bed on the really hard days. I know that when I come in for my weekly Earn While You Learn appointments, there is always someone there I can confide in, who cares about my struggles and who wants what's best for me and my babies.

"Alpha Center is with me every step of the way as I await two very special gifts this Christmas – my precious baby girls VeraLee and Glorianna."

Alpha Center provided the encouragement and comfort I needed.

Celebrate Our Savior's Birth!

As you prepare to celebrate the coming of our Savior into the world, please consider a gift of \$500, \$250, \$100 or any amount to help more women like Tiffany make life-affirming decisions. Also, please be praying for these three lives – Tiffany and her two girls who are expected to be taking their first breaths on Christmas Eve. May this be a reminder of the JOY we have in Christ who came to the world that we "may have life and have it abundantly" (John 10:10).

For HIS Unborn,

Leslee Unruh
