

*Irreplaceable*

# SANCTITY OF *Human Life*

*Alpha Baby Marli*

South Dakota law states that an abortion terminates the life of a *whole, separate, unique, living human being*. What a beautiful definition of unborn life that our state honors and recognizes. Another word that is synonymous with *unique* is the idea that each unborn life is *irreplaceable*. Every child conceived is intricately knit together in his or her mother's womb – no two are the same and each one is designed differently by the Creator.

With the reversal of the Roe v. Wade decision on June 24th, 2022, it is important now more than ever to promote and participate in life-affirming organizations. Ask yourself: "How does my daily life reflect the belief that defending these irreplaceable lives is a noble cause?" Included are ways to help yourself, your church and your community support women and men experiencing unexpected pregnancies.

## PRAY

Please remember in your prayers those who find themselves unexpectedly pregnant and in need of support and guidance. It could easily be the person sitting next to you at church, the woman behind you in the check-out line or your grandchild's high school friend. Pray that they have the courage to reach out for help.

---

## SPEAK HOPE

There are members of your congregation that have been personally affected by abortion and need to hear a message of forgiveness, grace, truth and hope. They are most likely struggling with feelings of guilt and shame, and need to know the church is a safe place.
