BOTH

THERE IS HOPE AND HEALING

# WE CAN LOVE THEM BOTH

Romans Chapter 12 teaches us what love in action is: “Let love be genuine. Abhor what is evil; hold fast to what is good. Love one another with brotherly affection. Outdo one another in showing honor...” This is the message of honoring human life. In an unplanned pregnancy, the mother matters, the father matters, and the baby matters.

With the defeat of South Dakota’s Amendment G on November 5, 2024, it is now more important than ever to promote and participate in life-affirming organizations. Ask yourself: “How does my daily life reflect the belief that defending these irreplaceable lives is a noble cause? How does my daily life show love and honor to women impacted by abortion?” Included are ways to help yourself, your church and your community support women and men experiencing unexpected pregnancies.

## PRAY

Please remember in your prayers those who find themselves unexpectedly pregnant and in need of support and guidance. It could easily be the person sitting next to you at church, the woman behind you in the check-out line or your grandchild’s high school friend. Pray that they have the courage to reach out for help.

## SPEAK HOPE

There are likely members of your congregation that have been personally affected by abortion and need to hear a message of forgiveness, grace, truth and hope. They are most likely struggling with feelings of guilt and shame, and need to know the church is a safe place.
